**SUPPLEMENTAL RESPONSE
TO FINAL OFFICE ACTION AND SUPPLEMENT TO
APPLICANT'S STATEMENT OF SUBSTANCE OF EXAMINER INTERVIEW**

Dear Sir:

This is a Supplement to the Response to Final Office Action with RCE filed October 31, 2007 in the above-captioned application and a Supplement to the Statement of Substance of Interview filed December 20, 2007 in the above-captioned application. In the Interview of November 20, 2007, Examiner Saunders requested this supplement to address in writing three issues discussed in the interview, namely, (1) the definition of the term "Malignin" in the above-captioned application as compared to the different term "Recognin," (2) enabling support found in Ezell and Spitler, and (3) enabling support in the November 30, 2000 Decision of the Board of Patent Appeals and Interferences in the parent application (U.S. Appln. Ser. No. 08/031,562, now abandoned) to the above-captioned application.

Examiner Saunders requested this supplemental response be submitted within two months of the Examiner Interview of December 20, 2007. In view of the January 19-20, 2008 weekend and the January 21, 2008 holiday, this supplement is requested by January 22, 2008.

The Commissioner is hereby authorized to charge the payment of any required fees, including any required extension fees, to Kenyon & Kenyon LLP Deposit Account No. 11-0600.
